Marvellous Things in Pre-

The boy they mean is Alfred Losinskey. No. 1922 Simpson Street, who
has been blind since he was a week
old. He is now niceteen years old.
He started his education in Public
School No. 20, where there wers
classes for the blind, passed at fourteen to the De Witt Clinton High
School, then prepared for college.
He wanted to go to Fordham, and
found, almost too late, that the entrance requirements included three
years' study of Greek. He made up
the full three years in two months of
intensive effort. Also he can carry
on a conversation in Latin.
At lectures he makes notes with
as willke Instrument which makes
raised characters that he can read by
iouch.
